**Sale 1:00 P. M.**

**Sale Manager .....Ned W. Place, Wapakoneta**

# FOREWORD

At no time in the past has the quality of the Shorthorns in Michigan been of such a high standard. The world famous bulls that have been brought into the state in the period of the last ten years has left its mark on the quality of the cattle found on the individual breeders' farm in Michigan. Likewise, commercial cattlemen throughout the whole state of Michigan have much respect for Shorthorn feeder cattle. They have experienced their gaining ability and are aware of their doing ability. The Farmer's Week steer contest has proved without a doubt over the years that Shorthorns are the most economical and fastest gaining cattle in nearly all instances. In the recent show of last spring eight out of the top ten in the Michigan feeder contest were Shorthorn cattle. Feeding tests and experiments by other colleges and unbiased feed companies have also proved Shorthorns fast gainers. This thriftiness is gratifying and makes for efficient, profitable gains. As said before, this greater weight for age is inherited and Shorthorn matrons' ability to start strong, robust calves toward early maturity is an inherited characteristic. An advantage and a recommendation for the ideal beef breed.

This present sale offering is composed of bulls and females capable of increasing your potential farm profit. The hand picked animals best represent the continuous stride made by modern type Shorthorns. The bulls in this sale have pedigrees and quality and individuality that is seldom found in any kind of a sale offering, national or other wise. The females especially, and the group of attractive open and bred heifers are hand made for foundation material to go into the best herds in the land. Their individuality will stamp them as great brood matrons in the future in Michigan herds and herds across the nation.

You and your friends are cordially invited to attend this sale.

**MICHIGAN SHORTHORN BREEDERS' ASSOCIATION**

**Ned W. Place, Sale Manager**

# General Information

---

**SALE HEADQUARTERS**—Kellogg Center—Located on the Campus, Michigan State College—East Lansing, Michigan.

**TIME**—Show 10:00 a. m.—Sale 1:00 p. m.—Friday, October 29th, 1954.

**LOCATION**—The sale will be held in the Judging Pavilion on the campus of Michigan State College—East Lansing, Michigan.

**GUARANTEE**—Will be in accordance with the Standard Guarantee of the American Shorthorn Breeders' Association. This guarantee is printed in the back of this catalog.

**HEALTH**—All animals are sold with health certificates to comply with the laws regulating Tuberculosis and Bang's Disease of the state or county into which they may be shipped.

**TERMS**—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off. The management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**REGISTRATION**—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

**FOOTNOTES**—Where footnotes appear in this catalog, they were furnished by the consignors or were written from information supplied by the consignors.

**NO LIABILITY**—We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

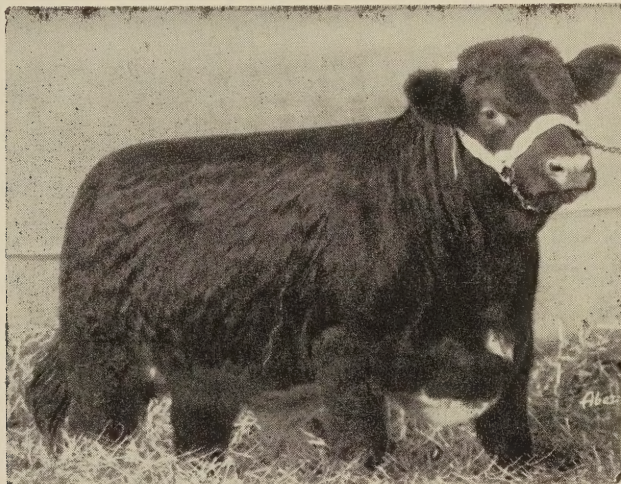

**MAIL BIDS**—May be sent to the Sale Manager or to the Auctioneer.

**SALE MANAGER**—Ned W. Place—Box 37—Wapakoneta, O.—Telephone 27925.

**AUCTIONEER**—Stan Perkins, Swartz Creek, Michigan.

**LUNCH**—Will be served on the grounds.

**LAKESIDE MAX DIAMOND** selling Lot 1 was the champion bull of the 1953 Michigan State Fair. This excellent individual is the kind of a bull that should head a big herd.

Mina's Beauty 12th 2122184  
Roan, John J. Courtade

**BOUNCE'S MINA**—A beautiful roan heifer. She should stay on the farm, but we have decided to sell her as we are getting a great many heifers from H. H. F. Commando Bounce. This heifer will make us friends wherever she goes. She sells open as we have no bull except her sire to breed her to. He is the greatest improving bull we have ever used.

# STANDARD GUARANTEE

OF

AMERICAN SHORTHORN BREEDERS

ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction. All animals sold in this sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
